For the busy parents who still want nutritious meals for their families. This basket includes three solutions to making dinnertime less stressful. Solution #1: Dinner A'Fare in Chadds Ford. You can make twelve meals in two hours! You do the cooking in their gourmet studio kitchen...they provide everything else, including recipes, fresh ingredients (pre-sliced, diced, and chopped), utensils and containers. Take the meals home, put them in your freezer, and cook the dishes according to your schedule. How convenient! Solution #2: Super Suppers in Exton. It is your answer to "What's for Dinner?" You pick up dinner - take and bake it! Solution #3: "Home Cooked". Bearer of this certificate may redeem it for ready-to-cook entrees, sides or desserts from the Home Cooked Grab & Go stations (No cash value, not valid on in-store assembly or pick-up orders). Create quality family time around the dinner table without the extra time and energy to pull it off!
