Superintendent of Schools

Valerie Burnett, Ed.D.
Director of Pupil Services

Dear Parents:

The Pennsylvania School Health Regulations require that children entering school for the first time in either kindergarten or first grade, and all students in third grade, and seventh grade receive a dental examination. The State is suggesting that the parents or guardians of the children in these grades have the examination done by their family dentist. The report your dentist is to use for the examination is presented below.

In order to have your child's records complete, we must have this form returned to his school by Friday of the first full week of school. If this form is not returned, the school dentist or hygienist will perform the required dental examination of your child.

Thank you for your cooperation.

Sincerely,

Valerie L. Burnett, Ed.D.
Director of Pupil Services
