***NEW : QUICK CHECK OUT with Auction Pay!** This program is widely used at most large scale auctions to facilitate the checkout process. No more waiting in lines to pay! Here's how it works...upon check in/registration, we can swipe your credit card. Your purchases are charged to you by your name and bid number. Your winnings will then be charged to your account. **No waiting in line to pay!** Upon leaving, just verify your receipt, and your items will be handed to you! We will be accepting Visa, MasterCard, Discover, personal checks and cash (Sorry, American Express not accepted). We will still be able to check you out the old fashioned way if you opt not to use Auction Pay.*

*See you at the Track!*
