Date: September 8, 2010
Re: Transportation

Please fill out the information below in the event there is a question about your child's means of transportation. Please return the form below to the school office in your child's Communication Envelope.

Also, please remember that your child needs a Bus Transportation Change Note if he/she is going home with another student. This form will be included in your Family Directory which you will receive at Back to School Night or on the school website. In addition, please know that for liability purposes, students are not permitted to ride the bus of any school district other than their own, regardless of whether or not there is a note from a parent (e.g., a Rose Tree student may not ride a Marple Newtown bus).

Thank you for your cooperation in this matter.
